---

## Education

California Polytechnic State University, San Luis Obispo  
Bachelor of Science in **Computer Engineering**

Expected Graduation June 2027

## Work Experience

**LA City Lifeguard**  
**City of Los Angeles**

December 2022 – Current

- Explained and demonstrated swimming strokes, exhibiting proper technique and positioning in water.
- Gave private lessons to special needs students and taught floating techniques and treading water.
- Provided maximum pool area surveillance and response to emergencies by rescuing pool patrons and administering first aid.
- Learned and maintained proficiency in first responder skills such as First Aid and CPR to offer individuals in distress optimal support.
- Kept general maintenance for the pool, including but not limited to sweeping, hosing, brushing the pool, and vacuuming the pool.
- Tested and maintained water quality with periodic sampling.

**Student Election Worker**

June 2022 -June 2022

**Los Angeles County**

- Demonstrated respect, friendliness, and willingness to help wherever needed.
- Assisted voters who needed to be registered or who needed a change of address.
- Helped set up the area where voting took place.
- Explained how to use the ballot machines to those voting in person.
- Cleaned and disinfected surfaces and followed the COVID-19 prevention plan.

## Projects – C5LA:

**C5LA Sex Education and Reproductive Health** - This project was made to advocate for the improvement of Sex Education and Reproductive health, and how one can learn more about this topic. My main participation in this project was researching credible resources to use and to create a website that provides helpful resources regarding this topic.

## Leadership and Involvement

**C5LA (Member)** – A year-round youth leadership and college/career access and success program. Starting in middle school, we engage in a multi-year initiative designed to support us through high school, and college.

**Sociedad Honoraria Hispánica (Member)** - An honor society for high school students enrolled in Spanish and/or Portuguese, sponsored by the American Association of Teachers of Spanish and Portuguese.

**Verdugo Hills High School Hack Club (President)** – A high quality coding club where you learn to code entirely through building projects, VHHS Hack Club is a chapter of the nonprofit Hack Club.
